

LOLLY

DJ / PRODUCER — YANGON, MYANMAR

Myanmar-born DJ & producer. A decade of bass-driven sets across Myanmar and Thailand.

BASS-DRIVEN SETS FROM MYANMAR TO THE REGION

LOLLY is a Myanmar-based DJ and producer with over a decade of experience, actively contributing to the country's electronic music scene. Known for energetic bass-driven performances and a distinctive stage presence, LOLLY seamlessly blends Bass, Drum & Bass, Jersey Club, Trap, Bounce, Midtempo, House, and other electronic music genres. With dynamic track selection and smooth transitions, LOLLY consistently delivers performances that captivate audiences from start to finish.

After completing the Music Production Program at AES Myanmar, LOLLY has continued to create and release original tracks and remixes. As the founder of THE LOLLYISM, LOLLY has successfully organized personal event series to help grow the electronic music community and build a strong fan base. Through original music, high-energy performances, and regional collaborations, LOLLY continues to expand an artistic journey with the goal of representing Myanmar on both regional and international stages.
